

EAGLE OCEAN MARINE CIRCULAR

JUNE 7, 2019

TO ALL INSUREDS AND BROKERS

Dear Colleagues:

MANAGEMENT NEWS – NEW APPOINTMENT AT SHIPOWNERS CLAIMS BUREAU (UK) LTD.

Reference is made to Eagle Ocean Marine (EOM)'s [Circular of April 15, 2019](#) announcing that EOM had recently strengthened its service capabilities by way of certain new appointments to marketing and claims liaison roles at Shipowners Claims Bureau (UK) Ltd. in London.

In addition to those recent appointments, Shipowners Claims Bureau (UK) Ltd. is also pleased to report that it has recruited a further leading industry figure to magnify the skill sets available to both Eagle Ocean Marine and the American Club in its London team.

On June 10, 2019, Richard Linacre will be joining SCB (UK) to undertake important market liaison and business development responsibilities. A well-known, and highly experienced, P&I professional with a broad industry background, Richard will bring additional expertise and technical capabilities to the London team, principally in support of EOM's activity both in the local market and more globally.

Richard's experience in the fixed premium P&I and related sectors is particularly strong, as is the versatility of that experience in its application to marketing and claims liaison, business development, customer relations, loss prevention and other disciplines within the marine insurance sphere.

Everyone at EOM and the American Club welcomes Richard to his new position with great enthusiasm, in the expectation that he will make a major contribution to the affairs of both EOM and the Club over the months and years ahead.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
