

EAGLE OCEAN MARINE CIRCULAR

AUGUST 1, 2022

TO ALL INSUREDS AND BROKERS

Dear Colleagues:

THE PEOPLE'S REPUBLIC OF CHINA (PRC): AN UPDATE ON COVID-19 RESTRICTIONS

COVID-19 pandemic related restrictions continue to challenge maritime operations around the globe. As a result of the PRC's "zero" COVID-19 policy, relevant controls are still in effect, and have recently been tightened in places due to regional outbreaks. A summary of COVID-19 restrictions at key PRC ports is summarized in [the attached table](#).

Insureds should also note that PRC authorities currently consider the following as "high risk":

- (1) seafarers arriving from India, Thailand, Myanmar, Bhutan, Laos, Mongolia, the Russian Federation, Cambodia, Nepal, Pakistan and Bangladesh; and
- (2) vessels arriving from India, Thailand, Myanmar, the Russian Federation, Cambodia, Pakistan and Bangladesh.

EOM recommends that Insureds take note of this information and be guided accordingly.

Eagle Ocean Marine's correspondent, Oasis P&I Services, Ltd., are thanked most warmly for their assistance in this matter.

Yours faithfully,

Dorothea Ioannou, CEO
