

EAGLE OCEAN MARINE CIRCULAR

OCTOBER 20, 2022

TO ALL INSUREDS AND BROKERS

Dear Colleagues:

LOSS PREVENTION: *THE IMPORTANCE OF LUBE OIL ANALYSIS*

Eagle Ocean Marine is pleased to announce the publication of a new American Club guidance document, [*The Importance of Lube Oil Analysis*](#).

The importance of regularly performing lube oil analysis for shipboard machinery cannot be understated as it is essential for monitoring the actual condition of the vessel's machinery systems and the timely scheduling of proper maintenance. It can also be a good advance indicator of developing problems.

EOM recommends that Insureds take note of this information and be guided accordingly.

Yours faithfully,

Dorothea Ioannou, CEO
Eagle Ocean Agencies, Inc.

Eagle Ocean Marine is an American Club fixed premium facility offering gold standard International Group club service, underpinned by the impeccable security of reinsurance at Lloyd's.
