EAGLE OCEAN MARINE CIRCULAR

NOVEMBER 13, 2026

TO ALL INSUREDS AND BROKERS

Dear Colleagues:

PEOPLE'S REPUBLIC OF CHINA (PRC): ADMINISTRATIVE PENALTIES FOR BREACH OF INLAND WATER TRAFFIC RULES IN PORTS ALONG THE YANGTZE RIVER

There has been a recent increase in administrative penalties issued against vessels sailing along the Yangtze River in locations such as Taicang, Changshu, Zhangjiagang, Jiangyin, Nantong, Changzhou, Yangzhou, Taizhou, Zhenjiang, Nanjing, etc. Most of the penalties are related to general navigation and environmental protection rules applicable to both coastal and inland waterways.

Further details and recommendations to prevent administrative penalties are found in the November 3, 2026 *Oasis Circular No. 2605: Administrative Penalties for Breach of Inland Water Traffic Rules in Ports along the Yangtze River, China*.

Eagle Ocean Marine recommends that Insureds take note of this information and be guided accordingly. We also thank our PRC correspondent, Oasis P&I Services Company, Ltd., most warmly for their assistance in this matter.

Yours faithfully,

Dorothea Ioannou, CEO
